

Gilead and Kite UK & Ireland ‘Look. And You Will C Us’ Grants Programme to Tackle Inequalities in Cancer Care FAQs

Through the ‘Look. And You Will C Us’ Grants Programme, Gilead and Kite intend to support projects that will specifically help tackle inequalities in cancer care and improve the experiences of people from marginalised communities across the UK and Ireland. Not everyone with cancer has the same choices, and it is our hope that the grantee projects go on to set a precedent for ‘good practice’ which can be used by others to ultimately work towards more inclusive and equitable cancer care in the UK and Ireland.

Grants are separate from the company’s commercial activities; sales and marketing personnel are not involved in grant decisions. Grants are not connected to, or conditioned upon, purchasing, prescribing, recommending, or otherwise supporting Gilead products. Applying for a grant is not a guarantee of funding.

About the *'Look. And You Will C Us'* Grants Programme

1. What is the aim of the *'Look. And You Will C Us'* grants programme?

Through the *'Look. And You Will C Us'* Grants Programme, Gilead and Kite intend to support projects that will specifically help tackle inequalities in cancer care and improve the experiences of people from marginalised communities across the UK and Ireland. 2. How will applications reviewed and successful bids decided?

Following the submissions deadline, grant applications will be reviewed by a panel of Gilead and Kite employees, as well as independent experts. Each application will be assessed against a variety of criteria including uniqueness, relevance, and scalability.

In particular, submissions will be reviewed according to whether they contribute to reducing inequalities, one of Gilead's giving pillars. People should have access to the same healthcare, regardless of their background. At Gilead, we fund projects that support underserved communities that have systematically experienced greater social or economic obstacles to health.

3. When will funding be available?

Successful applications will be announced in Spring 2024 and will be paid following completion of a grant agreement.

Once an application is submitted, it will be reviewed for completeness and to ensure quality of applications. If, for any reason, further clarity is required to fully evaluate your application, you will receive an email for clarification and, if needed, a request for resubmission.

Please note, Gilead and Kite representatives cannot comment on the decision process related to specific grant requests.

18. What can I expect if my application is successful?

If your grant request is successful, once you have been notified you will receive a grant contract for signature as per the ABPI Code of Practice. Gilead and Kite should be acknowledged as providing funding to the organisation for the approved project or initiative, and any specific activity or project should be funded in accordance with EFPIA, ABPI and MHRA codes of practice.

The contract summarises the core requirements of the grant award, the funding amount, and the responsibilities for each party. The contract must be fully executed prior to the release of payment and could include additional documents needed to effectively process payment.

Successful applicants will be required to engage with members of the Gilead and Kite grants team. Projects will require a final report.

19. If an application is successful, when does the work for the project have to be completed?

Gilead and Kite typically request for applications to be submitted 6–12 weeks prior to the project or event start date. Please build this into your grant application timeline. Please know that an incomplete or insufficient proposal could lengthen the review process and impact a project timeline. The project end date must be outlined in the grant application – Gilead and Kite typically fund projects of approximately 12 months.

20. When will funding be provided?

On the successful award of a '*Look. And You Will C Us*' grant, Gilead UK and Ireland will state which items of the project they are supporting and, in some cases, project milestones for payment will be outlined. Gilead commits to processing payment within two weeks of receiving a fully executed agreement

21. How will funding be paid?

Grants will be paid direct to the organisation's bank account by BACS payment. Payments will not be made to an individual. Depending on the scope of the project and the amount funded, Gilead will either make a lump sum payment or milestone payments based on project deliverables. A fully executed agreement is required prior to the release of any funding.
